

Designed for use with Lucent equipment.

LFX0209R PLATFORM EXTENSION

All ASP platforms are suitable for any undeveloped land or rooftop site applications unless specified otherwise.

Platform extension easily bolts to the existing ASP platform for future expansion when adding radio cabinets for the Lucent Flexent (Mod Cell) equipment. Equipment frame dimensions are 2' 11 7/8" w x 2' 6" d x 12" h and is pre-drilled for equipment attachment. The work/walk area is recessed 1" from the frame.
