

## ASP301-360 COMBINATION – EQUIPMENT PLATFORM & ANTENNA MOUNT

All ASP antenna mounts are suitable for any undeveloped land or rooftop site applications unless specified otherwise.

This is a free standing support platform built for full 360 degree coverage. The combination of the grated cabinet platform and antenna masts overcomes the constraints of small area sites. The need for extensive cable trays is eliminated.

- Material:** Galv. steel; polypropylene bases
- Bases:** 18
- Weight:** 590 lbs.
